Jesus prays—we can pray

The morning after Jesus healed an entire town of sick people, he went away by himself to pray to God. What do you think he prayed about? What do you pray about? When do you pray at home? At church?

Trace your hand in the space below and draw a picture of you praying, or write your own prayer inside of it.

Jesus heals

Mark 1:29-39

After a day of teaching in the Jewish meeting place, Jesus went home with Simon and Andrew for dinner. When they arrived, they found Simon's mother-in-law sick in bed with a fever. Jesus went to her, held her hand, and helped her stand. The fever left her and she was well! After dinner, a large crowd of sick people gathered outside Simon and Andrew's house. Jesus healed them.

Draw a large crowd of sick people outside the door of Simon's house.

Draw a picture of someone helping you when you're sick.
