## What do you hear?

God speaks to us through the things we hear at worship: the words, the music, and even sometimes when it's quiet. **Draw one or two pictures of something that you hear today in worship.**

I will listen to what the Lord  
God is saying. Psalm 83:8

*Dear God, when you speak  
I will listen. Amen*

## This week

Listen to Christian music on a CD or the radio. What does the song tell you about your life as a child of God?

Lectionary 15

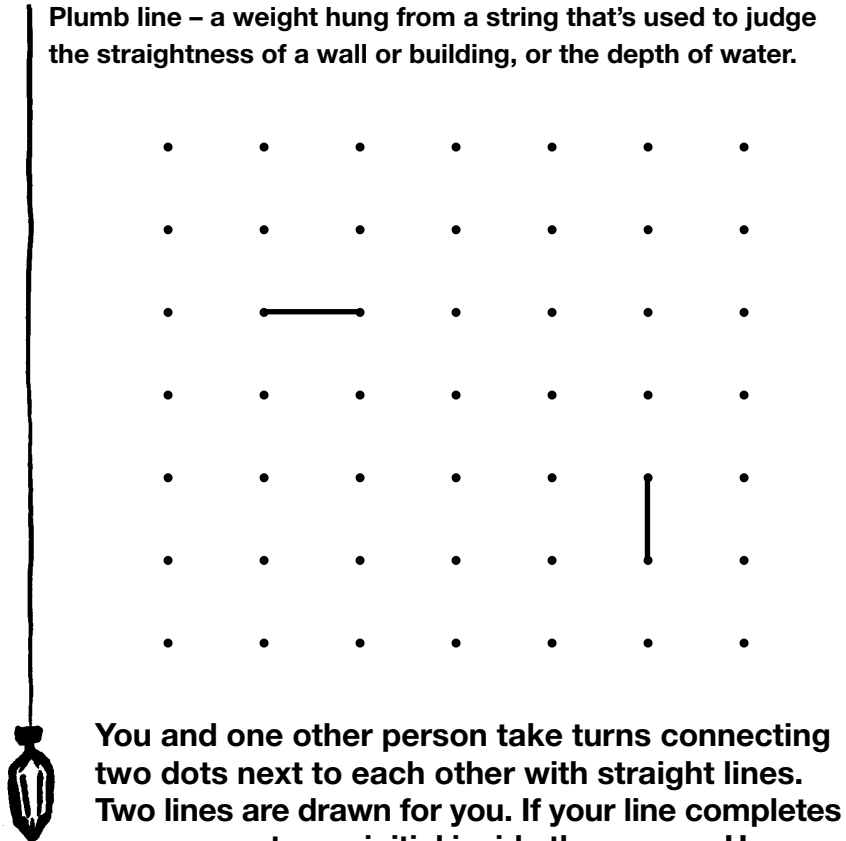

## gather

Welcome to worship.

Amos saw a vision of God holding a plumb line, ready to “measure the actions” of the people of Israel.

**Plumb line – a weight hung from a string that’s used to judge the straightness of a wall or building, or the depth of water.**

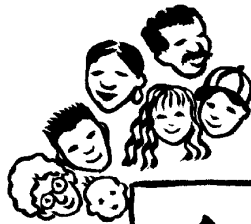

**You and one other person take turns connecting two dots next to each other with straight lines. Two lines are drawn for you. If your line completes a square put your initial inside the square. How many boxes did you make?**

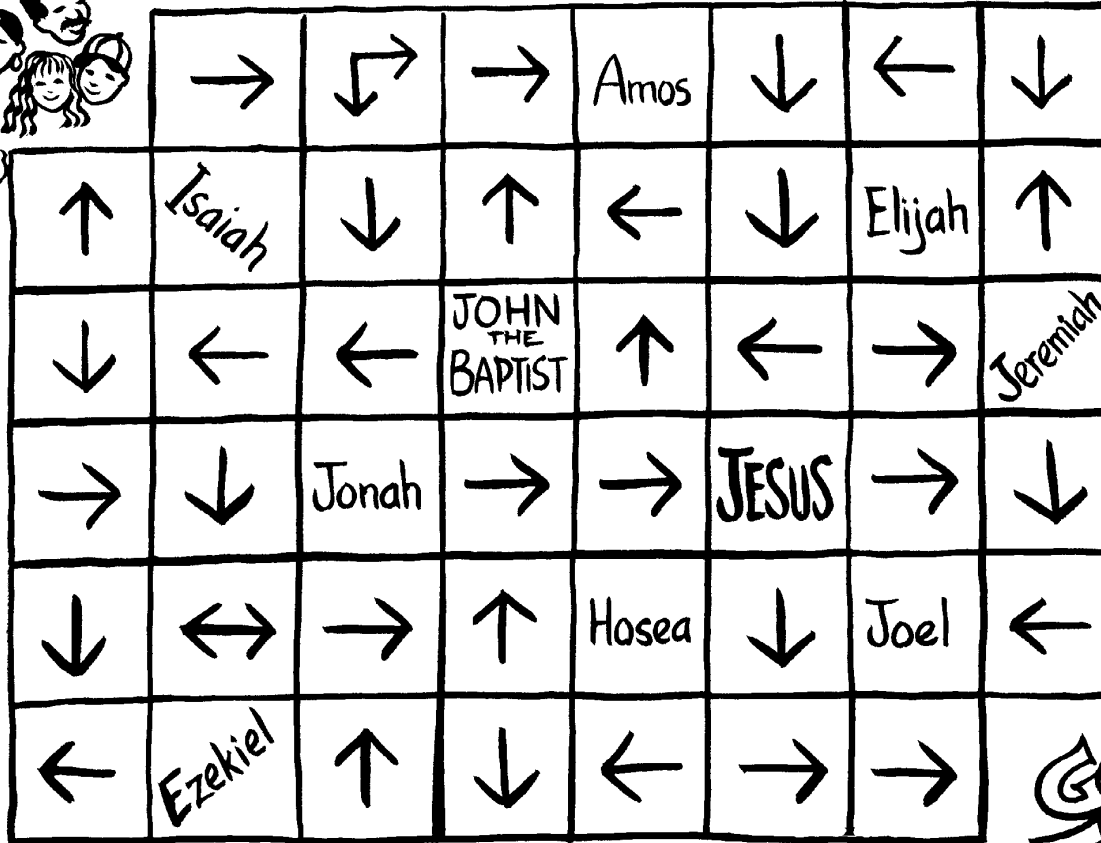

## The straight truth

God's prophets speak the truth to God's people.

Bring these people through the maze to God's truth. Follow the arrows to find the right path.

John the Baptist was killed by King Herod for being a prophet.

Amos was a prophet who told the people of Israel the straight truth from God, even when people didn't want to hear it.

**GOD'S TRUTH**

Jesus told the straight truth to many people. They didn't want to hear it because it would make them change the way they lived. So Jesus was crucified and died. But we know that Jesus lives again. We still look to Jesus to find the straight truth for our lives.
